COUNTY RECORDS

Volume 1J - Target Archery Outdoors, Juniors

Version:	2019.05.13
Issue Date:	30 May 2019

NOTES: JANUARY 2018

- ***Only records listed in this book are available to be claimed.***
- Archery GB hold junior outdoor records differently to those maintained by KAA. To better conform with our governing body KAA have added and adjusted some records.
- KAA have been maintaining separate records for all rounds for each junior age group. Archery GB have only one record per round per age group but each round is age limited by distance shot. To better conform with our governing body KAA have followed suit and combined these junior records the same as AGB. ***NOTE: The junior age groups listed are the maximum permissible age groups for each round. e.g. U14's can also claim records listed as U16 or U18 but not those shown as U12.***
