

## **All British & Open Field Championships 2009**

### **We need your help**

Kingsbury Company of Archers is hosting the All British and Open Field Championships this year on 23<sup>rd</sup>/24<sup>th</sup> May. These championships will take place on the farm of Geoff and Elaine Marshall in Rotherfield near Crowborough in East Sussex.

Kingsbury Company of Archers was formed solely for the purpose of running an Annual Field Shoot on the land generously offered by Geoff and Elaine and this has been the venue of the SCAS Individual and Inter-county Field Championships for several years. We are a small number of enthusiastic field archers and help is needed from a good many more like-minded volunteers to be able to run an event as large as the All British in a way that the participants will enjoy and that reflects well on the SCAS region.

It will be a great help to us to have your participation to assist in putting up more than 50 target butts on Saturday 2<sup>nd</sup> May and Sunday 3<sup>rd</sup> May. Those of you who wish to shoot in the event can still help with this activity, the setting of distances for these targets will be done at a later date.

There may also be work to be done on Sunday 17<sup>th</sup> May, the details of this will be known by the end of the first work week-end on 2<sup>nd</sup>/3<sup>rd</sup> May.

Some more help will be needed on the shoot days so this will be by those amongst us who are prepared to forego our shooting for some or all of the week-end of 23<sup>rd</sup>/24<sup>th</sup> May.

Finally help to take down the course on Sun 31<sup>st</sup> May is also needed.

Please get in touch with us if you can give your time on any of these dates and we can give you more details.

Thanks you very much for considering helping with the Championship, we look forward to hearing from you.
