I would like to thank Crawley, Eastbourne & Raven Archery Clubs for agreeing to participate in this inaugural winter field league. My thanks also to Adam Stevens and Pauline Swift for their hard work during the winter allowing us all to enjoy our favourite form of archery.

I hope that a similar league will occur again next year, please pass the word to all archers and encourage archers to try field archery.

Good shooting to all for the rest of 2009.
Shaun Duggan, SCAS field liaison officer.
