Thanks to Alan Harding for being our judge and to Les, Mags, Neil, Mick and Karl for all their help in setting out the field and for sorting out the scores sheets.

I hope you all had a good day despite the wind -- at least it stayed dry and not too cold.

Congratulations to Stephanie Batchelor on getting her 6-gold end.

In keeping with tradition, the County Captains team scored 19846 to beat the President's team with 18101.

Good shooting this season and see you all soon.

Peter C Drewry
County Captain
