**Weather.** Horrendous Rain, Strong Wind Until the Afternoon Then Warm & Sunny Breezy (but it dried Tents & Umbrella's)

**FROM YOUR TOURNAMENT ORGANISER.**

Thank you to those who arrived stayed & braved the weather. A joint decision having been made the TOURNAMENT Record Status/Rose Award was abandoned The decision being we would run a KAA Championship/Open Tournament as National's, if the weather changed we would shoot Westerns, thankfully the weather did change and Westerns were achieved

Congratulations to all who achieved a Trophy or Medal. To those who didn't better luck next time.

Thank you to the Lord Patron, Neil Dimmock. For a task well done

What can I say about the gift of the Kent Horse & Stand presented to me at assembly from the visiting archers during my 8 years as T/O. Thank you for your attendance over the years For making the journey on the Sunday ( some from quite a distance) in the weather and staying to shoot.

**THANK YOU**

A very big **Thank You** to Tim, Bob, Neil, Mick, Mark, Neil, Cory, Jo and Peter for the prompt and accurate laying out of the field on the Friday for the following two days Tournaments. For your work in distant changes etc. helping to keep the tournament running smoothly, and especially the quickness of clearing the field at the end of the two days.

To the archers who helped move the targets at change of distance.

To Pamela for scoring on the junior target.

To Barbara for all the odd jobs I couldn't achieve.

To Judges Neil and Mark, Field Captain Leslie for their excellent work once again in keeping the tournaments running smoothly during the horrendous weather we had before it finally stopped and the sun came out.

**THANKYOU ALL**

Thank you, to Chris, Margaret, Chris, Hilary, and the volunteers who stayed to help the crew who worked well in getting the results out quickly (This is no easy task, try it).

Thankyou to Geoffrey for presenting the Raffle for me

Tournaments could never take place without those members who are willing to give up their Shooting to work behind the scenes

If I have missed anyone out **Thank you** for your help no matter how small Yes, I forgot you the Arrow finders with your metal detectors

For the **Thanks** to us at the end of the two days

Glad you enjoyed the tournaments and

Thank You Your selves for coming

The one person I can not **Thank** enough is **TIM**, for his help during the past 2 months when we were eventually told we could use the field , after the horrendous months of Foot & Mouth, that had cancelled many Tournaments Everything, had to be acquired and achieved in 2 months

THANKS MATE.
