1st M Flanders

Kent Archery Association 40th County & Open Championships

22nd August 1993

Due to the extremely severe weather conditions on the 22nd August it was felt that it would be unsafe to attempt to start the tournament.

Regretably the tournament was abandoned without an arrow being shot. In view of the number of people who did turn up on the day and book in, it was decided that they would be given a 50% discount on next years Open Championship entry fee.
