

SOUTHERN COUNTIES ARCHERY SOCIETY
SENIOR INTER-COUNTY TEAM CHAMPIONSHIPS
ANDOVER, HAMPSHIRE 13th SEPTEMBER,2009

RESULTS

Again a very enjoyable event for all concerned, Andover Archers through their Officers' and members provided an excellent venue for their visitors, by ensuring all facilities were of a high standard.

Our Guest Doreen Cannon (Sussex) our Lady Paramount, relived meeting many old friends during the course of the day and carried out her duties very efficiently at presentation time.

Judges Ted Burnham, Carla Russell, Netta Bridle and Robert Potts gave a very efficient and friendly service to the competitors during the day. Congratulations are due to Robert since he passed his assessment for the position of Regional Judge.

Two matters need our attention at the next Regional Meeting

(1) do we follow the current trend to shoot six arrows in four minutes, or do we stay with the traditional 3 arrows in 2 ½ minutes as we have over the past eight or so years

(2) Andover are willing, providing there is sufficient interest shown, to arrange camping facilities for those interested, in the same manner as for their Fita Star meeting.

WILL TEAM MANAGERS' consult their members and advise me of their views prior to the next Regional Meeting (10th October).

On a final note: congratulations to Nicola Simpson (Oxford) on gaining, subject to ratification, a new National Record for the Compound Hereford with a score 1290. Claims were also for one Six Gold award and eight Rose awards.

Thankyou all for coming and hopefully we will see you again next year.

Regards

Graham Sibley
