

ACKNOWLEDGEMENTS

On behalf of SCAS, the Tournament Organiser wishes to acknowledge the contributions made by the following partners:

Kent Archery Association

who are the host county for the event this year, providing equipment and much of the planning and manpower to run it.

University of Kent, Canterbury

who have provided their sports field, set-up assistance, the facilities in the Pavilion and considerable help and advice.

They are actively looking to develop archery facilities for the benefit of their students and the archery community in general.

Kent County Council, Kent Sport Leisure & Olympics

who introduced the KAA to the university, provided much of the early impetus for this event and assisted with event management, publicity, logistics and volunteer recruitment.

Aim4Sport

who have graciously sponsored the tournament by providing all of the target faces at a substantially reduced price.

We were delighted to host this year's Southern Counties Team Tournament.

We are putting a significant emphasis on archery development, with sports scholarships available to the best archers wishing to come to study at Kent. We are also developing a permanent outdoor archery facility on campus (supported by a grant from Kent County Council Sport, Leisure and Olympics service) giving archers the opportunity to train 7 days a week.

I hope you enjoyed a fantastic experience during your time here at Kent University.

Graham Holmes, Director of Sport, Physical Activity & Recreation,
University of Kent

On behalf of the University of Kent Sport, I was very pleased to be able to welcome the Southern Counties Archery Society to the excellent facilities at the Canterbury Campus.

Working in conjunction with the Kent Archery Association, Kent Sport Leisure & Olympics and Aim4Sport I hope you have all had a successful and outstanding Inter-Counties Team Tournament. This event has provided an excellent exhibition of archery in the southeast, showcasing another large-scale event here at the University of Kent.

Team Results – Recurve Junior

Each team consists of 5 archers, from which the team result was determined from 4 scores (including those of at least one junior lady and one junior gentleman) nominated by the respective County Team Manager after the close of shooting.

All competitors were required to shoot the standard Bristol round for their gender and age as a minimum.
